Case No. 1:22-cv-4577

Honorable Judge: Joan H. Lefkow

**EMERGENCY MOTION FOR PRELIMINARY OR PERMANENT INJUNCTION
AND DECLARATION AS A MATTER OF LAW**

NOW COMES Plaintiff, WILLIE WILSON, *pro se*, and pursuant to Rules 57 and 65 of the Federal Rules of Civil Procedure moves this Court for an Emergency Preliminary or Permanent Injunction and/or a Temporary Restraining Order, and a Declaration as a matter of law against the Defendants. In support of this Motion, Plaintiff Wilson incorporates by reference his previously filed Verified Complaint (Dkt. 001), and the exhibits attached to the Verified Complaint, and hereby states as follows:

1. **NOTICE TO DEFENDANTS:** Pursuant to Rule 65 of the Federal Rules of Civil Procedure, undersigned Plaintiff WILLIE WILSON respectfully certifies to the Court that on August 29, 2022 Defendants' counsel Adam W. Lasker was provided a copy of the Verified Complaint with exhibits; and on October 21, 2022 this Motion, and the Notice of Telephonic Hearing was sent to the following attorneys via email:

- Adam W. Lasker, General Counsel, Chicago Board of Election Commissioners – electionattorney@gmail.com
- Charles Anthony Lemoine, Tressler LLP – cleoine@tresslerllp.com
- Andrew James O'Donnell, Tressler LLP – dodonnell@tresslerllp.com
- Rosa Maria Tumialan-Landy, Tressler LLP -rtumialan@tresslerllp.com
- Andrew Finko, Attorney at Law – finkolaw@fastmail.FM

2. Exhibit B to the complaint is a list of the 2,069 precincts at which voters voted in the June 28, 2022 partisan primary election.

3. Since the complaint was filed, Defendants earlier this month (October) issued a new list Precincts attached hereto as Exhibit "A".

4. Said list eliminates 779 precincts, reducing the number of precincts by 38% to 1,290.

5. Said reduction disparately impacts racial and/or ethnic minority voting blocs including African-American, Latino, Native American, and Asian voters by making it more difficult for them to vote, and as set forth in the complaint.

6. Only 86 or 6.6 per cent of the new precincts are disable accessible.

7. This is in blatant violation of federal and state law requiring all polling places to be disabled accessible, per the citations in paragraph 33 of the Complaint.

8. As established by the Verified Complaint and this Motion, and the documents and pleadings referenced therein, Plaintiff Wilson is entitled to immediate declaratory and injunctive relief because 1) he is likely to succeed on the merits, 2) he and similarly situated voters are suffering, and will continue to suffer, irreparable harm in the absence of preliminary relief, 3) the balance of equities tips in the Plaintiff's favor, and 4) because an injunction is in the public interest. *See Winter v. Natural Res. Def. Council, Inc.*, 555 U.S. 7, 20 (2008).

9. The Plaintiff requests telephonic oral arguments on this motion.

10. The Plaintiff also requests a waiver of any bond requirement.¹

PRAYER FOR RELIEF

WHEREFORE, Plaintiff respectfully request that this Court:

A. Assume original jurisdiction over this matter;

B. Issue a temporary restraining order and/or preliminary injunction, enjoining

Defendants from eliminating any precincts or polling places until after April 4,

2023, and such time as Defendants provide data to support an equitable

reduction, that does not disparately impact African-American, Latino, Asian, or

other voting blocs

¹ *See Doctor John's, Inc. v. City of Sioux City*, 305 F.Supp.2d 1022, 1043-44 (N.D. Iowa 2004) (“[R]equiring a bond to issue before enjoining potentially unconstitutional conduct . . . simply seems inappropriate, because the rights potentially impinged by the governmental entity's actions are of such gravity that protection of those rights should not be contingent upon an ability to pay”).

- C. Issue a temporary restraining order and/or preliminary injunction, enjoining Defendants from operating polling places that are not disabled accessible in violation of federal and state law;
- D. Issue a permanent injunction against Defendants to enjoin Defendants and its employees and agents from elimination any precincts or polling locations until after the April 4, 2023 election and until such time as Defendants provide data to support an equitable reduction that will not desperately impact African-American, Latino, Asian or other voting blocs; and enjoining them from operating polling places that are not disabled accessible in violation of federal and state law.
- E. Issue a declaratory judgment finding and declaring that Defendants' reduction of precincts and poll locations and failure to make polling places disabled accessible is in violation of the Voting Rights Act; federal and state law on the disabled cited in Par. 33 of the Complaint; contrary to Plaintiff's 1st and 14th Amendment rights; and unconstitutional and void *ab initio*;
- F. Grant such other relief as this Court deems appropriate.

Respectfully submitted this 21st day of October 21,

Willie Wilson
Plaintiff, *pro se*
